316414 - VIRTUAL Yoga in the Park

We have taken the weekly Yoga in the Park class online so you can continue your practice while sheltering in place. With all the uncertainty in the air, it's even more important that we don't give up our practice and take time to breathe and care for ourselves. Whether you are indoors or able to find a nice patch of grass or sun, you will still get to take the dedicated hour to move and breathe with the support of our Yoga in the Park community.

Description	Dates	Times	Ages	Days	Fees
Available Yoga in the Park	05/10/20 - 05/31/20	10:00A - 11:00A	10 years and Up	Su	\$0

322420 - VIRTUAL Gentle Yoga

This class provides a gentler approach to the practice of Yoga. Enjoy the benefits of increased flexibility, strength and stamina. Yoga encourages better posture, improves digestions, relaxes and calms the mind. Class is suitable for all levels. Wear loose and comfortable clothing and practice on an empty stomach.

Students will be emailed a schedule and link for access once registered for the class. Need a little extra help getting Zoom-ready? Here is a site with useful Zoom tutorials:
